

Life in the School Community

Upon admission to studies at ETS the students obligate themselves to keep the following school regulations. We encourage students to cultivate Christian values that can be applied beyond their time at ETS. When a student fails to conform to the school regulations, it becomes the ultimate responsibility of the Disciplinary Committee to develop necessary measures of discipline and restoration in the spirit of meekness according to Galatians 6:1. This disciplinary action could include, but not be limited to, committee reprimand, monetary fines, work assignments, detention, probation, loss of a scholarship, suspension, and/or immediate expulsion. In the event that a serious emergency/altercation takes place, the President is authorized to take the immediate action that he/she determines to be in the best interest of this institution.

School Life

Appearance

Students are expected to dress in a manner that is clean, neat, and modest, whether inside or outside school. Appropriate attire is required for all school events to which the public is invited and for all occasions when the student is representing the school.

Attitude and Behavior

The faculty, staff, and students at ETS come from different cultural and family backgrounds. Consequently, everyone is expected to exercise reasonable tolerance toward others and show courtesy, respect, and good manners in all relationships. Only by exercising an attitude of openness, honesty, and mutual acceptance can our whole school community live together in a Christian atmosphere in which everyone is interested in the welfare of the other. All students are required to meet the following principles:

1. Live according to the Scriptural principles and the practical commitments of the Church of God International General Assembly Minutes. All doctrinal and practical commitments of the Church of God can be viewed and read under the "Beliefs" section found on the Church of God website at www.churchofgod.org.
2. Be an example in relationships, in fellowship with other students, and in the church as a whole.
3. Uphold spiritual priorities as persons called by God for ministry and respect the cultural differences of our brothers and sisters.
4. Help one another in times of difficulty and accept help in times of need.

Dress-Code

The appearance of students while on campus is expected to reflect Christian modesty and respect. Additionally, students are expected, while in chapel services, to wear appropriate clothing (no athletic wear).

In keeping with a standard of Christian modesty, female students are asked to observe guidelines such as:

- All clothing must be modest in style. Clothes that are extremely tight-fitting tops with low necklines, or that allow midriff exposure is not appropriate in public.
- The length of dresses, skirts and shorts should be no shorter than approximately a hand's width above the top of the knee.

- Tank tops, cropped tops, and tops that show undergarments or come off the shoulder are not appropriate.

Male students are asked to groom themselves in a clean manner appropriate to the school context.

- Inappropriately tight-fitting sweatpants and shorts should not be worn.

ID-Cards

Student ID cards are available from the school office to students who provide their own photographs and pay a small fee. Students find these ID cards useful for many services which offer discounted rates, such as travel, concerts, and museums.

Insurance

All students, German and non-German, are legally required to enroll in a health insurance program and to present written proof to the school. For any trips outside Germany, students must clear their insurance status beforehand. In some cases, travel insurance is recommended.

While enrolled at ETS all students are insured against accidents during official school activities.

Accidents of any kind must therefore be reported promptly to the school office.

All students must have personal liability insurance.

Non-German Students

The office of the school provides information about visas, passports, work permits, and driver's licenses for non-German students. However, it is the student's responsibility to secure and maintain these papers according to legal requirements. Failure to keep these regulations may lead to a fine or expulsion from the Federal Republic of Germany.

Relationship Between Members of the Opposite Sex

Students are expected to abide by the following regulations:

1. Share time with other students and not always with the same person. This includes meal times and devotions.
2. Refrain at all times from entering the rooms or dormitory areas of the opposite sex.
3. Fellowship in groups rather than alone as a couple.
4. Refrain from any intimate behavior and physical contact with members of the opposite sex.

5. Any time spent with the opposite sex outside of these hours (7:00–23:00) should be in a group setting.

4. Conduct themselves responsibly as a couple, including sexual abstinence before the legal and religious marriage ceremonies.
5. Make no plans to marry during the course of the school year, except during summer/winter vacations.

Residence Registration

Each new student is required to personally report to the Einwohnermeldeamt (registration office) in Freudenstadt within the first week. The registration forms can be obtained from the school office. Non-German students must also report to the Ausländeramt (immigration office) in Freudenstadt. The student must also bring proof of health insurance as well as a down payment for the costs of tuition and board. The student must also deregister at the Einwohnermeldeamt at the end of his/her residential studies, close his/her local bank account, and have his/her mail redirected.

With respect to the school's sponsoring organization, students are expected to comply with the practical commitments of the Church of God in regard to the use of alcoholic beverages, tobacco, and habit-forming or hallucinatory drugs. Complete abstinence is the policy on the ETS campus and is recommended while off-campus as well.

Assigned responsibilities encourage participation in the services through preaching, song leading, Bible reading, special music, musical accompaniment, sound, and media. Lord's Supper, feet washing, and days of fasting are observed at least once each semester.

Church Membership

While enrolled at the seminary, students are encouraged to maintain membership in their home congregation that has confirmed God's call on their ministerial preparation and has recommended them to the school. Students are further expected to seek counsel from the same congregation concerning future ministry once Bible school is completed.

Evening Prayer Meeting

On each evening, a student-led prayer meeting is held at 20.00.

Personal Devotions

Personal devotions are necessary for the proper spiritual growth of each individual. Worship services, prayer meetings, and other activities are no substitute for personal devotions. All members of the ETS community are encouraged to develop the spiritual discipline of daily personal devotions.

They review cases brought before them by any member of the faculty/staff. They shall hear from the offender, pray, counsel, and determine appropriate action.

In the event a serious emergency altercation takes place, the President is authorized to enforce the immediate action that he/she determines to be in the best interest of this institution.

Student Mediation

Student Mediation is possible as a form of Conflict Resolution. The steps of Mediation are as follows:

1. Issues of mediation are to be referred to the Campus Pastor.
2. The process of mediation is to be initiated by the Campus Pastor in a meeting of the Campus Pastor and the persons involved.
3. If the issue cannot be resolved it needs to be brought before the committee of mediation, i.e. the Disciplinary Committee.
4. If the issue of mediation has academic implications also the Academic Dean needs to be involved in the process of mediation.

Changes to the Handbook

The school administration retains the right to change the regulations of the school which includes the Student Handbook. When changes are made, the student body must be given a two-week notice. This notice can be given either by public announcement in a scheduled student body function or written document. After the two-week notification period, the changes come into effect. Students may also bring proposed changes to school administration for consideration through the following process:

1. The suggested revision is first submitted to the student's class for discussion, revision, and voting. The suggested change must have a majority vote of the class in order to go beyond this stage.
2. The revision is then submitted to a meeting of the class speakers for discussion, revision, and voting. It again must have a majority vote of the class speakers in order to go further.
3. It is next submitted by the class speakers to the faculty and staff for their discussion.
4. When a proposal also receives a favorable hearing in the called faculty/staff meeting, it will then be placed on the agenda of the next scheduled faculty/staff meeting for discussion and for final approval/rejection.
5. In the event a proposal is approved, the student body will be given a two-week notice. This notice can be given either by public announcement at a scheduled student body function or by a written document. After the two-week notification period, the changes come into effect.
