Introduction

The European Theological Seminary (ETS) is a co-educational, pre-service institution of academic and practical training for persons called by God to prepare for Christian ministry. The European Theological Seminary is an educational institution of the Church of God in Europe, a Pentecostal denomination that is represented in most countries in Europe as well as throughout the world. The international headquarters for the Church of God is in Cleveland, Tennessee (USA). Since 2007 a co-operation has existed with Lee University, Cleveland, TN: to offer graduate studies leading to Masters degrees in Pentecostal-Charismatic Theology and Marriage and Family Studies. Since 2018 the degrees have been accredited by Evalag and are accepted as German University degrees by the Wissenschaftsministerium Baden-Württemberg, as Weiterbildender Masters (Professional Training). The access requirements include at least a year of professional experience following the award of a Bachelor degree (EQF Level 6). As such, evidence of the work experience must be submitted with the application.

Lee University Mission Statement

Lee University is a Christian institution which offers liberal arts and professional education on both the baccalaureate and master's levels. It seeks to provide education that integrates biblical truth as revealed in the Holy Scriptures with truth discovered through the study of arts and sciences and in the practice of various professions. A personal commitment to Jesus Christ as Savior is the controlling perspective from which the educational enterprise is carried out. The foundational purpose of all educational programs is to develop within the students knowledge, appreciation, understanding, ability and skills which will prepare them for responsible Christian living in a complex world.

History

Lee University was founded in 1918 as a Bible Training College for the Church of God and is now a private, comprehensive university located in Cleveland, TN, in the foothills of the Appalachian Mountains. Over the past two decades, Lee has become one of the largest Christ-centered private institutions in Tennessee. During that period, the university has undergone a remarkable transformation that has included significant growth in academic programs, student enrollment, faculty expertise and diversity, as well as an expanded sense of mission and vision.

The European Theological Seminary, (formerly known as the European Bible Seminary), began training students from Germany and other German speaking countries in 1958. Since 1964 the seminary has trained students from Europe, and other parts of the world. From 1973 - 2002 the school was located in Rudersberg, near Schorndorf, but in the summer of 2002 moved to a new location in Kniebis, near Freudenstadt in the Black Forest.

Theological Commitment

As a Church of God educational institution, the European Theological Seminary is committed to the evangelical, Pentecostal position of its sponsoring denomination. We believe:

1. In the verbal inspiration of the Bible.
2. In one God eternally existing in three persons; namely, the Father, Son and Holy Ghost.
3. That Jesus Christ is the only begotten Son of the Father, conceived of the Holy Ghost, and born of the Virgin Mary, that Jesus was crucified, buried, and raised from the dead, and that He ascended to heaven and is today at the right hand of the Father as the Intercessor.
4. That all have sinned and come short of the glory of God and that repentance is commanded
5. of God for all, and necessary for forgiveness of sins.
6. That justification, regeneration, and the new birth are wrought by faith in the blood of Jesus Christ.
7. In sanctification subsequent to the new birth, through faith in the blood of Christ, through the Word, and by the Holy Ghost.
8. Holiness to be God's standard of living for His people.
9. In the baptism with the Holy Ghost subsequent to a clean heart.
10. In speaking with other tongues as the Spirit gives utterance and that it is the initial
11. evidence of the baptism of the Holy Ghost.
12. In water baptism by immersion, and that all who repent should be baptized in the name of
13. the Father, and of the Son and the Holy Ghost.
14. That divine healing is provided for all in the atonement.
15. In the Lord's Supper and washing of the saints' feet.
16. In the premillennial second coming of Jesus. First, to resurrect the righteous dead and to catch away the living saints to Him in the air. Second, to reign on the earth a thousand years.
17. In the bodily resurrection; eternal life for the righteous, and eternal punishment for the wicked.

Purpose of the Handbook

The purpose of the Handbook is to make the graduate student aware that ETS is a seminary with residential students and to enable the student to be aware of his/her responsibilities and of life at the school. Applicants to study in the Masters programs must do so on the official application form (see website), submit two academic references and one personal character reference, possess an accredited Bachelor degree (EQF Level 6), evidence of at least one year of work experience, and, in specific cases, may be required to submit a piece of academic writing. Academic Life

All required courses must be successfully completed, and a cumulative G.P.A. of 3.0 (B) or above must be attained for graduation. Each intensive course is worth 5 ECTS, but the pre-reading, attendance, paper writing etc. may be expected to take up 150 hours of actual time, shown in detail on the course syllabus.

A failed course must be re-taken the following year, or when it is offered again, and completed successfully. The only exception to this would be in the case of an elective, where another course could be chosen, but the normal course fee would apply.

2.1.1 Academic Year

The academic year at ETS begins on 1st September and runs to 30th June the following year. It is divided into two semesters. Without express agreement, all fees should be paid and course work should be completed before the start of the next semester.

2.1.2 Master Degree (3-year program)

There are two options for study at Master Degree level: MA Marriage and Family Studies and MA Pentecostal and Charismatic Theology, both of which are 90 ECTS courses. The MA has a 20 ECTS thesis component, with a 5 ECTS Research and Writing component preceding the 15 ECTS Thesis itself. Entry into postgraduate courses requires an accredited Bachelor degree (EQF Level 6). Masters courses are normally offered as one week intensives during the academic year, though part-time courses may be offered over one or even two months, as agreed by the tutor and the students. The academic calendar for the next two years of the graduate program is published on the website and all efforts are put into ensuring that the course dates, titles and teachers are adhered to. Unavoidable changes to these dates or courses will be announced at the earliest opportunity and communicated to all registered students.

2.5 Record Keeping

Graduate Students of Lee University can have confidence in data protection. They will have their personal files stored at ETS in locked cupboards and on the server with restricted password access; This also applies to the Lee University campus where the information of the master students is sent. An individual student has the right of access to his/her grades through the on-line Portico system. Regarding the release of information to third parties, the privacy policy of the student's home country will be applied, except in cases of grave injustices and crimes.

2.6 Attendance Policy

Each student is expected to attend regularly and punctually all classes in which he/she is enrolled. Students are expected to participate fully in the class. Absence of more than one day of an intensive course would require the course to be retaken.

When a student is unable to attend class due to reasons beyond his/her control (e.g. illness, accident), the school should be notified immediately as to the reason for his absence and probable length of the absence. If the student notifies the school orally, he/she must provide a written statement upon return or within one week.

A leave of absence from classes is possible in individual, justified, exceptional cases. The recognized reasons for a leave of absence are important personal reasons (e.g. death in the immediate family; extreme illness in the student's household).

2.7 Examination and Grading Policy

2.7.1 Grading System

The Lee University graduate programs use the following system of grading and quality points for all graduate-level courses. These letter grades are assigned grade point values as follows:

100-94	A	4.0 quality points	1
93-90	A-	3.7 quality points	1-
89.99-85	B+	3.3 quality points	2+
84.99-80	B	3.0 quality points	2
79.99-75	c+	2.7 quality points	3+
74.99-70	C	2.3 quality points	3
69.99-00.00	F	2.0 quality points	6

I Indicates the student's work was incomplete

P Passing Credit (no quality points)

IP In Process

W Student officially withdrew from the class without penalty

A grade of "I" indicates the student's work is incomplete. The grade becomes "F" if the work is not completed within six weeks after the end of the semester, unless a written extension has been approved by the Vice President for Academic Affairs. A grade of "I" is given only to students who encounter some personal difficulty such as a severe illness or an extreme family emergency near the end of the semester. The "I" grade is not given in order to allow students additional time to complete assignments.

A grade of "W" (withdrawal) is assigned to a student who, for any reason, officially withdraws or is withdrawn by the official semester date. This "W" is assigned without quality point penalty to the student.

The quality point system allows for a computing of the academic standing of the student by multiplying first the quality points obtained in a course by the respective number of semester hours of the respective course and then by dividing the total number of quality points obtained by the total semester hours attempted by the student. The grade point average will be based on the following scale: 4.0 - 3.5 excellent; 3.49 - 3.0 good; 2.99 - 2.0 (average).

2.7.2 Grade Reviews and Academic Probation

Scholastic records of each student are reviewed at the end of each semester by the Dean. Students falling below the 3.0 GPA will be notified and may be placed on academic probation. Students who have not submitted all the required work at the end of the first academic year may be warned and

prevented from taking further classes until all outstanding work has been submitted.

2.7.3 Transcripts

A transcript of academic credits will be issued by the Office of Records upon written request of the student. Forms are available in the Office of Records or online at www.leeuniversity.edu (Current Students, "Request a Transcript"). By law, the transcript cannot be released until the office has received the student's signature granting permission to release his/her record. If requesting a transcript to be sent to another institution or other authorized person or agency, an official transcript is required. Official transcripts cost 10€/ \$5 each. Requests for transcripts, diplomas, and/or verification of degrees will be fulfilled only when all the student's financial obligations to the university are met.

2.7.4 Cheating and Plagiarism

As a Christian community of scholarship, we at Lee University are committed to the principles of truth and honesty in the academic endeavor. As faculty and students in this Christian community, we are called to present our academic work as an honest reflection of our abilities; we do not need to defraud members of the community by presenting others' work as our own. Therefore, academic dishonesty is handled with serious consequences for two fundamental reasons: it is stealing – taking something that is not ours; it is also lying – pretending to be something it is not. In a Christian community, such pretense is not only unnecessary; it is also harmful to the individual and community as a whole. Cheating should have no place at a campus where Christ is King because God desires us to be truthful with each other concerning our academic abilities. Only with a truthful presentation of our knowledge can there be an honest evaluation of our abilities. To such integrity, we as a Christian academic community are called.

2.7.5 Diploma

A diploma is conferred after the successful completion of all courses, thesis or examinations whether academic or practical. A student is cleared for Graduation when all fees have been paid, all Library materials returned and a cumulative G.P.A of 3.0 or above has been earned.

ETS will also supply a Diploma Supplement at graduation to indicate information as required by the European Quality Framework (EQF Level 7).

2.7.6 Evaluation

Students are required to evaluate individual teachers before the end of each intensive course. These evaluations will be summarized and the teacher and Dean of the program informed.

Each individual course syllabus outlines the Learning Outcomes expected to be attained by students. These are examined annually by the Program Coordinator at Lee University against the established Program Outcomes.

Financial Policies

3.1 Tuition Costs

Every attempt is made by the administration, faculty, and staff of the seminary to conserve costs in operating the school. Student contributions cover only about one-third of the student's educational expenses. For the remaining part the school operates mostly by offerings and gifts from members of the Church of God. The fee schedule published before the beginning of each year will be binding on each student. All of the tuition charged to the student's account is payable.

3.1.1 Tuition Discount

A discount is applied to the tuition of students who are members of the Church of God, the Church of God of Prophecy and to students who have completed their undergraduate studies at ETS.

3.2 Payment of Accounts

Fees are due at the beginning of each semester, though graduate students may elect to pay within 30 days following each intensive course.

3.2.2. Deadline

Students must have their accounts paid in full before they may enroll for the next year. Students who cannot comply with this condition must make prior arrangements with the President.

A 20 ECTS thesis will be charged at the normal rate for a course.

Course work completed more than 10 years prior to admission is generally not accepted toward meeting degree requirements. The student has a maximum of six years from the date of admission to degree standing (and registration for course work) in which to complete the requirements for the master's degree. Refer to specific program sections within the catalog for detailed policies.

The Lee University graduate programs offered at ETS require a thesis as a demonstration of the student's research, writing and critical thinking skills. At ETS students writing a thesis must submit two hard-bound copies and an electronic copy on CD-Rom or via E-Mail, the submission date to be specified by the tutor.

3.2.6. Graduation Fee

A graduation fee of 100 € is payable by all graduates, whether or not they attend the graduation ceremony.

N.B. All accounts must be paid prior to enrollment for the following academic year. Diplomas or Certificates will not be handed out until all bills have been paid and all library materials returned. Transcripts will not be issued until all requirements have been fulfilled.

3.3 Refunds Policy

Students withdrawing from the Seminary, or an intensive course, may under certain conditions receive a refund from the tuition fees which they have paid in advance. The request has to be made **IN WRITING** within two weeks after the withdrawal. A pro rata adjustment of the fees will then be granted according to the following rules:

Tuition refunds will be based on the day of withdrawal:
